

READ TO RIDE ABLE CAMP

Kids: Are you looking for some fun to do over the summer? Something with animals?

Parents: Are you looking for activities for your children and continued education?

READ to RIDE is just the program for you!

Activities will be assigned through the summer, and once completed campers can come back to TBAR and cash in their ticket to ride one of the well-trained ABLE program horses!

Camp days will allow campers to have stories read to them while learning about animal friendships.

The READ to RIDE program, under the ABLE umbrella, is a program that encourages children to continue learning over the summer months. Students aged 5-12 are invited to have their parent or guardian contact TBAR to sign up during pre-arranged camp hours. To set up your riding time please call Melanie Hewett at (979) 277-4746 or email help@t-bar.org

TBAR is a 501(c)(3) non-profit organization and is a no-kill facility. The Animals Bridge Love and Education (ABLE) program is a community outreach program with a focus on prevention through education. Please visit www.t-bar.org for more info!

READ TO RIDE TICKET

ADMIT ONE (name): _____

Authorized by Parent or Guardian: _____
