**\*\* I will not fight, sell, give away or breed the animal. \*\***

I agree not to sell, fight, give away or dispose of this animal. If I can no longer keep the animal(s) for any reason I will contact True Blue Animal Rescue (TBAR) so they can place the animal in another foster home or, if it's been more than 30 days, find another foster home or adopter.

If the animal is not spayed or neutered this will be a foster to adopt placement. The adoption will be finalized when I submit the invoice for spay / neuter to TBAR. I understand that when I pay the adoption fee for this animal TBAR will provide me with a certificate for spay / neuter and vaccinations at a low cost clinic. If I choose to go to my own vet I can submit the certificate with proof of spay / neuter to TBAR for a rebate.

By signing this contract, I agree not to hold True Blue Animal Rescue liable in the event of injury, death or damage to any human, animal or property as a result of actions or activities of the animal I foster or adopt.
